

## **Project- Mix And Match Deal**

### **Environment- Prod**

## Bug Report-

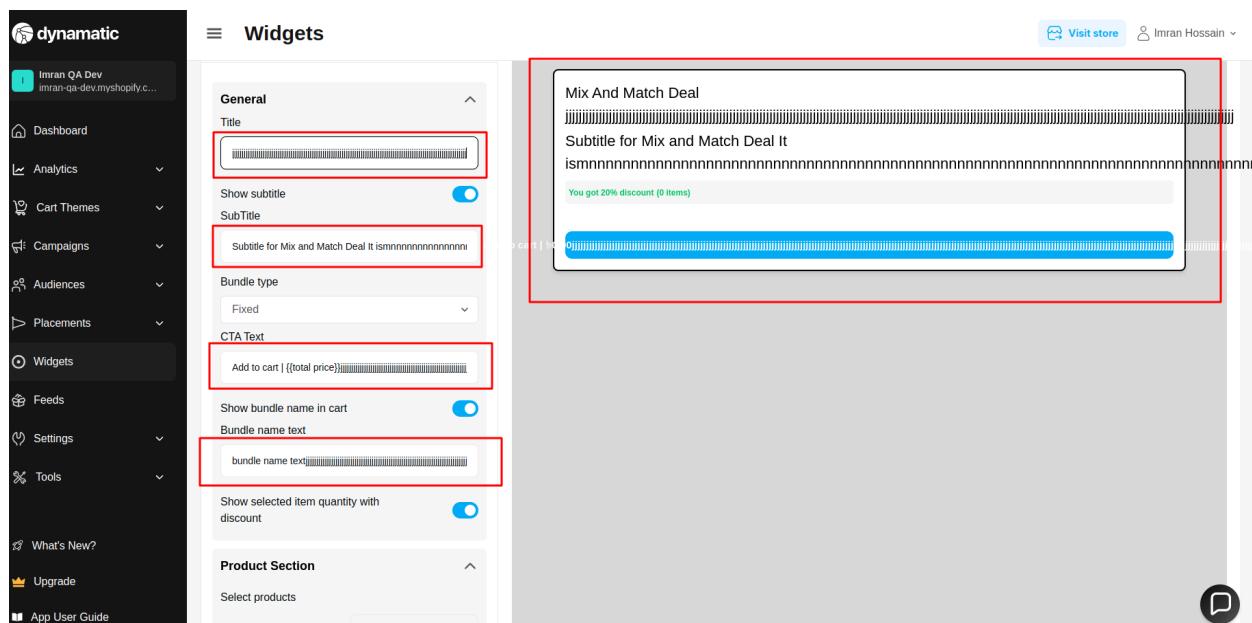

1. There is no validation for the maximum character limit on the title, subtitle, CTA text, and bundle name text, and the design is broken for these reasons.

The screenshot shows the dynamic app's sidebar with various sections like Dashboard, Analytics, Cart Themes, Campaigns, Audiences, Placements, Widgets (which is selected), Feeds, Settings, Tools, What's New?, Upgrade, and App User Guide. The main area is titled 'Widgets' and contains settings for 'Add to cart | {{total price}}', 'Show bundle name in cart' (switched on), 'Bundle name text' (input field 'bundle name text'), 'Show selected item quantity with discount' (switched on), and a 'Product Section' panel. The 'Product Section' panel has tabs for 'Feeds' (selected) and 'Manual'. Under 'Selected Feeds', there is a list with 'my product' and a delete button. Below this is a 'Discount' section with 'Discount method' set to 'Static'. To the right, a promotional banner for 'Mix and Match Deal' shows three items: an iPhone 16 (180420.00), a baseball bat (7542.00), and a ladies watch (5000.00). An 'Add to cart | 0.00' button is at the bottom of the banner.

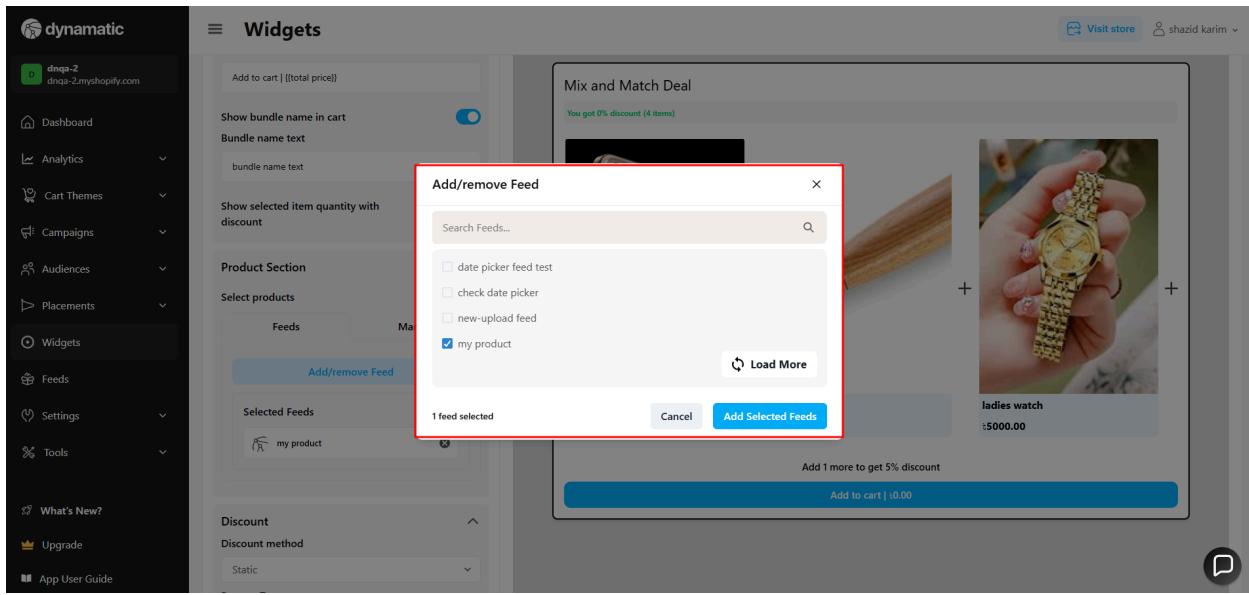

3. Product section => add/remove feed => When I add a product from the feed, I search for my feed name, select one feed, and click "Add Selected Feed" — it works as expected. However, when I try to add another product from the feed, all the other feeds disappear, and only the previously selected feed remains.(this issue is faced in all server)

**Widgets**

The screenshot shows the 'Widgets' section of the dynamatic app. On the left, there's a sidebar with navigation links like Dashboard, Analytics, Cart Themes, Campaigns, Audiences, Placements, Widgets (which is selected), Feeds, Settings, Tools, What's New?, Upgrade, and App User Guide. The main area is titled 'Widgets' and contains a card for 'Discount'. This card has a dropdown for 'Discount method' set to 'Tiered', a 'Prompt Text' field with placeholder 'Add {{quantity\_left}} more to get {{amount}}% discount', and two tiers: 'Buy any 1' with 'Discount (%)' 5 and 'Buy any 2' with 'Discount (%)' 10. A button '+ Add Tier' is at the bottom. Below the card is a progress bar with 'Reset' and 'Save' buttons. To the right, there's a grid of snowboard products: 'The Compare at Price Snowboard' (785.95), 'The Multi-location Snowboard' (729.95), 'The Collection Snowboard: Oxygen' (1025.00), 'The Videographer Snowboard' (885.95), 'The Complete Snowboard' (699.95), and 'The Collection Snowboard: Hydrogen' (600.00). There are also three small icons at the top right: 'Visit store', 'Imran Hossain', and a message icon.

**Widgets**

This screenshot shows the 'Widgets' section again. The sidebar and overall layout are identical to the first one. The main area now features a card for 'Mix And Match Deal'. It includes a 'General' section with a title 'Mix And Match Deal', a subtitle switch turned on, and a subtitle placeholder 'Subtitle for Mix and Match Deal It is a long established fact...'. Below this is a 'Bundle type' dropdown set to 'Fixed', which is highlighted with a red border. Other sections include 'CTA Text' with a placeholder 'Add to cart button | {{total price}}', a 'Show bundle name in cart' switch turned on, a 'Bundle name text' input field containing 'bundle name text', and a 'Show selected item quantity with discount' switch turned off. At the bottom is a 'Product Section' with a 'Select products' button. To the right, there's a card for 'Mix And Match Deal' with a descriptive text about Lorem Ipsum. Below it is a grid of items: 'The Inventory Not Tracked Snowboard' (200.00), 'Gift Card - 1' (100.00), and 'The Out of Stock Snowboard' (200.00). The same top-right icons ('Visit store', 'Imran Hossain', message icon) are present.

The screenshot shows the dynamatic app interface. On the left, a sidebar navigation includes 'Dashboard', 'Analytics', 'Cart Themes', 'Campaigns', 'Audiences', 'Placements', 'Widgets' (which is selected), 'Feeds', 'Settings', 'Tools', 'What's New?', and 'Upgrade'. The main area is titled 'Widgets' and displays a 'Discount' configuration panel. This panel shows a 'Discount method' dropdown set to 'Tiered', a 'Prompt Text' field with the placeholder 'Add {{quantity\_left}} more to get {{amount}}% discount', and three 'Buy any' rows with corresponding 'Discount (%)' values of 5%, 10%, and 20%. Below this is a note '7 Products left'. At the bottom of the panel are 'Reset' and 'Save' buttons. To the right, there are several product cards: 'The Compare at Price Snowboard' (785.95), 'The Multi-location Snowboard' (729.95), 'The Collection Snowboard: Oxygen' (1025.00), 'The Videographer Snowboard' (885.95), 'The Complete Snowboard' (699.95), and 'The Collection Snowboard: Hydrogen' (600.00). Each card features a small image of the snowboard.

## 6. Discount method calculation does not work properly.

This screenshot shows the same dynamatic app interface as the previous one, but with a different configuration. The 'Discount method' is now set to 'Tiered' with three tiers: 'Buy any 1' with 'Discount (%)' 10, 'Buy any 2' with 'Discount (%)' 20, and 'Buy any 3' with 'Discount (%)' 50. Below this is a note '0 Products left' and a message '+ please add product first'. To the right, there is a 'Mix and Match Deal' card with three items: a baseball bat (7542.00), a ladies watch (5000.00), and a mobile finger sleeve (180.00). Each item has a checkbox next to it. At the bottom of the deal card is a blue button labeled 'Unlock your discount'.

7. Discount method tier list needs validation. It takes multiple tiers for the product item.

The screenshot shows the dynamatic app interface. On the left, the sidebar includes 'Widgets' under the 'Widgets' heading. The main area is titled 'Widgets' and shows a 'Selected Feeds' dropdown set to 'my product'. Under 'Discount', the 'Discount method' is set to 'Tiered'. Three tiers are listed: 'Buy any 1 item' with a 'Discount (%)' of 10, another 'Buy any 1 item' with a 'Discount (%)' of 20, and a third 'Buy any 1 item' with a 'Discount (%)' of 30. A green box highlights the message '1 Product left'. At the bottom are 'Reset' and 'Save' buttons. To the right, a preview window titled 'Mix and Match Deal' shows a deal for three items: a baseball bat (\$7542.00), a ladies watch (\$5000.00), and a mobile finger sleeve (\$180.00). Each item has a '+ Add Tier' button below it. The preview also displays the message 'You got 10% discount (3 items)'.

8. Discount method percentages need validation. It takes 0 and negative values.

### Mix And Match Deal

Subtitle for Mix and Match Deal It is a long established fact that a reader will be distracted by the readable content of a page when looking at its layout. The point of using Lorem Ipsum is that it has a more-or-less normal distribution of letters, as opposed to using 'Content here, content here', making it look like readable English. Many desktop publishing packages and web page editors now use Lorem Ipsum as their default model text, and a search for 'lorem ipsum' will uncover many web sites still in their infancy. Various versions have evolved over the years, sometimes by accident, sometimes by purpose (injected humour and the like).
